## EAR TAG REQUISITION FORM

To participate in AFFCAP's certification program, it is mandatory that an ear tag is affixed to all animals, and that each animal receives a unique identifying number. This number is assigned for life and no repetition of numbers is allowed.

**Example:**

**AFFCAP Ear Tag:           JPR 1001**

The first 3 letters, JPR, is a Farm Code and identifies a specific goshalla and stays with the goshalla for the duration of its membership.

The four digit number is assigned to each animal and stays with the animal for life. There will be no repetition of numbers. On the first order, AFFCAP provides the Farm Code and assigns each animal an individual ID number.

To order your tags please provide the following information.
